Volunteer Marriage Counselor officiates a Wedding Ceremony - United in Love

## From the Executive Director:

Our God is an amazing God! He is a redeemer and a sustainer! I hope that you will rejoice with us as we reflect upon The HOPE Center's 2009 ministry year. 1 Corinthians 13:13 reads: "And now these three remain: faith, hope and love. But the greatest of these is love." If there were one virtue above all others that I would hope to have demonstrated through the ministry of The HOPE Center, it would be love. My hope is that God will allow us to increasingly reveal the fruit of His Spirit, and that His love will continue to touch, save and transform lives. We're excited to be entering our 20th year of service to the community and look forward to all that God has planned in the days ahead.

### Mission Statement:

The HOPE Center exists to share the love of Jesus Christ, promote sexual purity, value human life, and provide Help, Hope and Healing for individuals facing pregnancy or relationship issues.

### Client Testimonial:

*"I cannot begin to thank you enough for your kindness and support during such a difficult time. There were many times that I called on you and you were always there with the wisdom and insight that I desperately needed. The first day that I walked into The Hope Center was the first day I felt like things would be okay. I was given hope."*
